ACKNOWLEDGMENT

I would like to express my sincere gratitude to Mr. Padma Prasad Khatiwada, Lecturer (CDPS), who as a supervisor provided me with insights into basic ideas and techniques of analysis and interpretation essential for carrying out this research work. I am especially grateful to him who supervised my work from the very beginning to the end, and enabled me to present the thesis in this form.

I am grateful to Dr. Bal Kumar K.C., Prof. and Head of the CDPS, TU for his invaluable suggestions and encouragement during the research work.

Finally, I would like to Thank Mr. Tika Ram Titung for his attractive computer service.

Anil Jabegu
