It is my pride and privilege to be a research scholar in M.A. English programme at Ratna Rajyalaxmi Campus. Despite having so many hurdles, the department provided me a fully dedicated and energetic supervisor Khem Guragain, Lecturer of English, Ratna Rajyalaxmi Campus, who helped and encouraged me a lot in my work and the completion of my thesis; my special thanks go to him.

I would like to confess my sincere gratitude to Hriseekesh Upadhyay, Head of Department of English, Ratna Rajyalaxmi Campus, Kathmandu, for allowing me to write in the topic of my choice. I am equally grateful to all of my respected teachers for providing me guidelines to complete this project.

It would be ungenerous to forget Adhikari Books Shop, Patan from where I collected most of the materials needed for the completion of the project.

I am very much thankful to all my family members who helped me in one way or other in course of this research study. Special thanks go to wife Laxmi, sisters Sunita and Bineeta.

Finally, my happiness knows no bounds to say that this work is dedicated to my parents (father Gopal and mother Gyanu), whose support over the years has gone far beyond the call of parental duty.
