Dissertation Committee:

Prof. Dr. Om Gurung

Head of the Department

Mr Madhusudan Subedi

External Examiner

Mr Jiban Mani Poudel

Supervisor

Date: 17 May, 2009

ACKNOWLEDGEMENT

I would like to express my sincere gratitude to Prof. Dr. Om Gurung, the Head of the Department, Department of Sociology/Anthropology, Tribhuvan University for providing me an opportunity to write the dissertation in this topic and for his suggestion, encouragement to carry out and finalization this research work.

I am extremely grateful to my respectable supervisor, Mr. Jiban Mani Poudel for his valuable guidance, comments and suggestions, without his support, I think this study would not have been a success.

I am grateful and indebted to Mr. Rajesh Panthi, Administration Officer of Aasara Sudhar Kendra and all the staffs of ASK for their co-operation and help during the data collection. I would like to thank all the respondents for providing their information during the time of data collection.

I would like to express my heartfelt gratitude to my beloved parents, brothers Diamond Shrestha, Subeer Shrestha and Kiran Shrestha, brother-in-law Buddhiman Shrestha, Sister-in-Law Niraf Shrestha and friend Dhiki Lhanze for their moral support and co-operation during the research work.

May, 2009

Nita Shrestha
