ACKNOWLEDGEMENT

The thesis entitled "Marketing analysis of Airline service with reference to Nepal Airline Corporation, submitted to Kailali multiple campus Dhangadhi, faculty of management, Tribhuvan university is my original work done in the partial fulfillment of the requirement for the master's degree in Business studies under the supervision of Dr. Hem Raj Pant, professor and campus chief Through his kind guidance, supervision and inspiration. During the preparation of this dissertation he has become my greatest inspiration for the whole research study.

Similarly, while preparing this fieldwork many of other personalities also helped me directly and indirectly. first of all I would like to extend special thanks to to my subject teachers Mr.Padam kant Joshi assistant campus chief and thesis supervisor, Mr. Leela Nath ojha without them this thesis would not have been possible.

I am also highly grateful to Nepal Airlines Corporation for its full cooperation in providing me the information and data during the preparation of this report, especially the staff members of marketing department of NAC.

At the same time, I also wish to extend my deep felt gratitude to my uncle and my husband for their continuous support and encouragement for the completion of the work successfully.

Finally, I would like to thank the respondents who filled the questionnaires, all friends and all my well-wishers.
