ACKNOWLEDGEMENT

I would like to express my deep gratitude for my thesis supervisor Miss. Milly Joshi for her constant guidance and support. I would also like to thank faculty members for their cooperation.

I am very much grateful to all respondents from the inner core of my heart for sharing their experiences with me. I also thank all the key informants for providing me the information without which the in-depth study of the cases would not be possible.

It is my pleasure to thank Mr. Rupak Bhandari who supported and helped me for collect information. I would like to thank Mr. Rajesh Sharma for his valuable suggestions.

Finally, I want to thank my family for their inexorable encouragement and support. I would like to express gratitude to all of them who have helped me to complete this dissertation.

Sunita Aryal
