ACKNOWLEDGEMENT

First, I would like to appreciate the Central Department of Economics and professor Dr. Madhavi Singh Shah, head of Department for providing me an opportunity to study and write this dissertation on my own interest entitled “A Study of Remote Area Trading Center: A Case Study of Sanfe Bazar, Achham District”. I am deeply indebted and grateful to Dr. Suman Sharma for her guidance, suggestions and inspiration. Without her immense help and support this research work would not have come to this form. Similarly, I must express my gratitude Associate Professor Dr. Rudra Prasad Upadhyaya, Central Department of Economics.

I wish to express thanks to everyone who provided me valuable information and help during field survey. Finally, I would always remain thankful to Sarita, Dikendra and Bikram.
