ACKNOWLEDGEMENT

I would like to express my sincere thanks to the Central Department of Geography for providing me an opportunity to conduct research on "Labour Migration to India: As a livelihood strategy (A case study of Khaira VDC, Pyuthan District). This study is undertaken as partial fulfillment for my Master's Degree in Geography.

I am extremely grateful and indebted to my respected '**Guru**' Prof. Dr. Bhim Prasad Subedi (Head of the Department) for providing me an opportunity to conduct this Dissertation under his supervision. I can not forget his invaluable guidance, supervision and inspiration during the preparation of this Dissertation. I would also like to express my sincere gratitude to the respected teacher Kanaiya Sapkota for his valuable suggestion and guidance at different stages of this dissertation. His guidance was a source of inspiration for me.

Likewise, I am indebted to my respected teacher Mr. Dharani Kumar Sharma for providing me valuable guidance, suggestion and comments at different stages of this dissertation.

I would like to express my gratitude to my respected teachers Prof. Dr. Puskar Pradhan, Dr. Padma Chandra Poudel, Dr. Narendra Raj Khanal. Thanks are due to all my respected teachers and staff of the central Department of Geography, T.U., for their valuable suggestions and help during preparation of this dissertation.

Similarly, I would like to express my gratitude to Mr. Ganesh Gurung, Executive Chair person and Usha Shrestha accountant of the Nepal Institute of Development Studies (NIDS). who have given me support to write this dissertation. Likewise, I am very grateful to National Centre of Competence in research (NCCR) for providing me financial support.

I also want to express my gratitude to the people of Khaira VDC (Pyuthan) and my other informants for their forbearance and for allowing me to get an insight into their lives and work. Special thanks go to my friends, who have helped me during the field survey.

I would also like to thank my adorable and hearty friends Vesh Raj, Basant, Nim, Tilak, Phenendra, Chhabi, Bal Dev, Uttam, Lokendra and Bhagabat for their incredible helps, constructive suggestions, encouragements and inspirations during the various stage of this dissertation.

Finally, I wish to express my sincere gratitude to my parent and family for inspirations, encouragements, warm family affection and constant economic support up to this level.
