ACKNOWLEDGEMENT

Writing a thesis in M.B.S. (Master Degree's in Business Studies) second year is compulsory work for every student in order to development research capability and translate theoretical knowledge into the actual practice in analyzing the specific issues related to Nepalese share market. I am thankful to Tribhuvan University Faculty of Management for providing me such opportunity to experience the practical knowledge of my subject. I try my best to give the readers a bird's eye view of this thesis and enable them to locate quill each section of it to identify investor awareness and investment on common stocks in Nepalese Share Market.

This work would not have come in this form without the precious guidance, continuous recommendation, suggestion and inspiration of Rajan Bilas Bajracharya. His supervision has highly encouraged me to complete this research. I would like to express my hearty thanks towards all of my family members who spent their valuable time and efforts and made a great sacrifice for my higher education and always created good environment and regularly promoted for this studies.

Lastly, I also would like to extend my thanks to those authors, publishers, researchers and all known and unknown friends for taking ideas and thoughts.

Thank You.

Sunita Shrestha
