ACKNOWLEDGMENTS

Firstly, I would like to express my sincere gratitude to my thesis supervisor Prof. Madhusudan Subedi for his constructive suggestions and invaluable guidance towards my questions and difficulties about my research project and motivate me to accomplish this study. Similarly, my sincere gratitude goes to Dr. Youba Raj Luintel, Head of Central Department of Sociology for his supportive role and contribution in creating academic environment.

The completion of this report is possible due to support from various persons and my respondents from the organization 'Mushahar Community'. I would like to thank them a lot for providing me an opportunity of acknowledging them all. Without their passionate participation and input, this research study could not have been successfully conducted.

Finally, I would like to thank Pratikshya Rai, Chandika Sapkota , Amit Shah, Uma Khatiwada and my beloved family for their constant supports and continuous encouragement throughout this research project.

TABLE OF CONTENTS

	PAGE NO:
LETTER OF RECOMMENDATION	I
LETTER OF APPROVAL	II
DECLARATION	III
ACKNOWLEDGEMENTS	IV
TABLE OF CONTENTS	V
LIST OF ACRONYMS	VIII
CHAPTER ONE: INTRODUCTION	1-6
1.1 Background of the Study	1
1.2 Statement of the Problem	3
1.3 Importance of the Study	6
CHAPTER TWO: LITERATURE REVIEW	7-12
2.1 Theoretical Review	7
2.2 Empirical Review	9
CHAPTER THREE: RESEARCH METHODOLOGY	13-17
3.1 Research Design	13
3.2 Rationale of the Site Selection	13
3.3 Nature and Sources of Data	14
3.4 Selection of the Study Participants	14
3.5 Primary Data Collection Tools and Techniques	15
3.5.1 Observation	15
3.5.2 In-depth Interview	15
3.5.3 Secondary Data Collection	16
