Acknowledgement

This study has been completed with the advice and guidance of various people, without giving my sincere thanks to each of them, the study would remain incomplete. The researcher wishes to acknowledge to all the contributions leading to the accomplishment of this research study.

First of all, I would like to express my sincere gratitude to Patan Multiple Campus, Tribhuvan University, for providing me a great opportunity to conduct this study for the partial fulfillment of Masters of Business Studies.

My cordial thanks goes to Thesis Supervisor Mr. Baburam Singh Thapa for his precious time, constant guidance, close supervision, constructive advice, support, and encouragement throughout research period in giving shape to my study.

My special thanks also go to my colleagues Mr. Ujjwal Upadhaya for providing many valuable comments that improved the presentation and contents of this report.

I am, with great diligence and ingenuity, also grateful to all the boutiques organization and customers for helping considerably by providing required information.

I am also very much indebted to the staff of Library of Patan Multiple Campus for doing me real favour by providing references books, journals and dissertation and also thanks to the Administration staff of MBS Program of the campus.

Also I would like to thank to those who directly or indirectly supported me during this research period.

Last, but not the least, I would like to thank my family for their support and encouragement what made this report possible. My parents receive my deepest gratitude and love for their dedication and the many years of support during my graduate studies that provided the foundation for this work.
