ACKNOWLEDGEMENTS

This study is prepared in partial fulfillment of the requirements for the degree of Master of Business Studies (M.B.S.) and entitled “**A Study on Corporate Debentures Issued By Commercial Bank of Nepal: Assessing Their Impact on Base Rate**” This study focuses on the various issues of corporate debentures issues in Nepal. I am grateful to my thesis supervisor, librarians, colleagues and all sources of knowledge whose contributions have enabled me to present the dissertation in this shape and format.

I extend my profound gratitude to my supervisor **RajanBilasBajracharya** of People’s Campus for his instructions, advice and guidance to complete this study. I am deeply indebted to all the authors whose writings have enriched my study by availing me with the necessary materials and invaluable ingredients.

I am thankful to the staff of the library of People’s Campus and Central Library for their helpfulness and patience in browsing and providing me with the available books I asked them for. I owe earnest appreciation of the officials of SEBON, NEPSE and all the selected sample debentures for providing me with required information and including journal and annual reports.

I express my sincere thanks to my colleagues, friends for extending to me their helping hands in course of the preparation of the thesis. Lastly, I would like to express my heartfelt gratitude to administrative staffs of People’s Campus and my family members who have provided their immense help, support and cooperation without which the research would not have been completed.
