ACKNOWLEDGEMENT

This thesis has been prepared to fulfill the partial requirements for the Degree of Master of Business Studies (MBS), Saraswoti Multiple campus, Tribhuvan University, Nepal. In the process of preparing this thesis, I got a lot of co-operation, suggestion and inspiration from different people .

Firstly, I owe a debt of gratitude to my respected thesis advisor and supervisor Prof. Dr.of department of Management, Saraswati Multiple Campus, Thamel Kathamdu whose valuable support for the preparation to thesis is really praise worthy things. I am extremely indebted by their efforts despite of their busy schedule.

I am indebted to the officers of Bharatpur Municipality Manager and for their kind co-operation for my research work. It is very great opportunity to reach things from them.

In the same way, I would like to extend to thank my respected mother and Mrs. Kopila Bastakoti whose inspiration helped me to achieve this success.

Last but not least, I would like to express my sincere thanks to my brother Bola Prashad Bastakoti and other friends for their kind cooperation and support.

Padma Raj Bastakoti
